

Prophetic Word to the Church

I sense the Spirit of the Lord is saying, "This is a good year; we are going to do great and mighty things. Pastor Leander talked about the number fifteen, he said "the number means to be free and the triple five means grace, grace, grace!"

Pastor Leander gave us the theme for this year, "Embracing Change" and our thrust is to be "Business Minded." We will walk knowing we have changed. God has given our Pastor a vision to fill the field. In **Genesis 11:1-3 (NLT) At one time all the people of the world spoke the same language and used the same words. 2 As the people migrated to the east, they found a plain in the land of Babylonia and settled there. 3 They began saying to each other, "Let's make bricks and harden them with fire..."**

But their project was out of the will of God. They were building a tower to heaven and was doing pretty good on it. The people were in unity with what they were doing, but out of the will of God. Saints, we are in the will of God and the scepter of the Lord is still extended unto us. Saints, we are walking in change, this whole church is almost in school. God is the one who is ordaining **Our steps**. Now dream big and work hard. We can do the extension on the church this year because we are in unity. When we take care of God's business, He will take care of what concerns us.
