

The CWCC Commission

Word of the Lord given to Minister Sharlean Briggs

December 27, 2015

In 2015 the Lord said that our blessings were not for a time far off, but they are now. There is an urgency in the Spirit to DO it now. The Lord said, what I say now, I have said in times past, but I say it again, not because you did not heed My words, it is because the fullness of time has come and you are now ready CWCC. So I say, My kingdom building must go forward for it is time for My house to be built. I not only speak of the physical buildings, but of My people as well. Sons and daughters, do know that they are connected. The nature of the thing is now commensurate with the level of faith. You will succeed and not fail in your kingdom connected endeavors.

The light house has been closed for repairs since 2013, and it has gone through a marvelous interior transformation, but you now must complete another phase of the building project. There is an urgency, because the beacon light of no more fear, faith, favor and finance, confidence, family, health and wholeness, deliverance, soaring, education, and restoration is shining bright once again. This light will draw the 153 that will be a part of the 201 and many more.

In 2013 I told you that I am so very pleased to be sending My sheep into the house, and now I command you to “Go therefore and make disciples of all the nations [help the people to learn of Me, believe in Me, and obey My words], baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe everything that I have commanded you; and lo, I am with you always [remaining with you perpetually—regardless of circumstance, and on every occasion], even to the end of the age.” Matthew 28:19-20 Amp.

Sons and daughters, know that resources are attached to purpose. Just as I blessed the children of Israel with the spoils of Egypt and commanded an offering be given to build My temple, I have also blessed you CWCC and others with resources to build the new edifice. CWCC, don't be like the people of Judah who said “The time has not come that the Lord's house (temple) should be rebuilt.” Haggai 1:2 Amp. Their fate will be yours as well... “he who earns wages earns them just to put them in a bag with holes in it [because God has withheld His blessing]” Haggai 1:6b Amp.
