

Covenant Warriors, I heard the Lord say that we will continue to MOVE FORWARD, FULL STEAM AHEAD!!! In years past the Lord has told us that there will be no stopping us and it still remains true today for 2016. The only thing that can stop CWCC is CWCC. Everyone must continue to work together in unity and trust one another. The number 16 is symbolic for love and loving; therefore, it is imperative that everyone knows that he or she is needed in order for CWCC to be successful. The thrust of this ministry is centered on love.

### **Vision Statement**

“Covenant Warriors Christian Center is committed to providing the premier training and development center in Greenville, Alabama, geared to producing model marriages and families that love Almighty God above all else, and their neighbors as themselves.”

#### **Mark 12: 30 – 31 (KJV)**

30 And thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind, and with all thy strength: this is the first commandment. 31 And the second is like, namely this, Thou shalt love thy neighbor as thyself. There is none other commandment greater than these.

This ministry is made up of people from every walk of life and every member is vital. I heard the Lord say for those who are looking at what they may or may not have, He said give it to Him. It is not about the amount that you have to give, it is about the Heart. The Lord is not just talking about your financial gifts, but He wants you to give of your talents also.

#### **Mark 12: 42 – 44 (KJV)**

<sup>42</sup> And there came a certain poor widow, and she threw in two mites, which make a farthing.

<sup>43</sup> And he called unto him his disciples, and saith unto them, Verily I say unto you, That this poor widow hath cast more in, than all they which have cast into the treasury:

<sup>44</sup> For all they did cast in of their abundance; but she of her want did cast in all that she had, even all her living.

This is the year of the building up of My Kingdom and all members must be on board, said the Lord. In 2014, Pastor taught and asked the question “What Would You Do If You Were Not Afraid?” and in 2015, he taught us to “Embrace Change.” I saw in a dream the members of Covenant Warriors in a plane and every member was prepared with a parachute to jump. When

we arrived over the target area, many of the members took the plunge and jumped. There were those who were pushed out of the plane, but remembered their teaching and pulled their parachute in time for a safe landing. However, there were some who were afraid to jump and they refused to jump from the plane. The Lord then said to me in the dream that those who are still on the plane and are afraid to jump, that you must JUMP NOW before you miss your opportune moment. There is a marked out time and a marked out target. If you wait too late, you will be in uncharted territories.

Those who jumped off the plane faced their fears and embraced change. There was no looking back for them. But those who refused to jump are holding on to past fears and hurts that you have been delivered from. The choice is yours to make, but just know that many people are praying for you and wanting you to succeed in order for you to move forward. The surrounding community is praying for the success of Covenant Warriors because it is a beacon of hope.
