

Under the leading of the Holy Spirit, Apostle Leander Robinson stated that the 2019 theme for Covenant Warriors Christian Center is, "It's Time!!! – To Focus on The Family! This Word is highlighting the purpose of Covenant Warriors' ministry, which is the family. Our motto is "Family Is Key at CWCC."

The first institution established by the Lord God was marriage. Genesis 2:24 (NKJV) Therefore a man shall leave his father and mother and be joined to his wife, and they shall become one flesh.

The Vision Statement: Covenant Warriors Christian Center is committed to providing a premier training and development center geared to producing model marriages and families that love Almighty God above all else and their neighbors as themselves.

A tradition family consists of a husband and wife or a single parent rearing their children. The Lord impressed upon me three key areas for the family: Spiritual, Physical, and Financial. Strong families are to love Almighty God above all else and their neighbors as themselves. Parents, put God first in every area of your life and be committed to His Word. Parents must also be committed to the training and development of their children. Proverbs 22:6 (NKJV) Train up a child in the way he should go, and when he is old, he will not depart from it. The training takes place in the home, church and school. We must prepare our children for adulthood. Prayer and learning how to lean and depend on Jesus are key. Physical training is necessary in order to have a healthy family. It is imperative to have playtime or quality time with children. Thus, teaching the members in the family to develop healthy boundaries. Regarding finances; it is the same thing. God must be first in tithing and giving. It is a matter of faith and trusting God. Romans 10:17 (NKJV) So then faith comes by hearing and hearing by the Word of God.

This ministry loves families. The CWCC family is unified. We pray together, play together, and we support each other. We are learning about boundaries and are setting healthy boundaries. We are willing to assist our families with their boulders, if called upon. However, we will allow family members to handle their own knap sack.

The mission of Covenant Warriors Christian Center is to restore and produce godly marriages and families, through wholesome preaching and teaching of the gospel of Jesus Christ, that impact their communities for God's Kingdom.

As CWCC continues to produce and restore godly marriages, we are impacting our community and society. In order to affect change in society, there must be godly change in our families.
