

The Church and the Family are in a State of National Emergency

2020 Word of the Lord

February 23, 2020

We are in a season of Call up Authority, which involves Activation/Mobilization and Launching/Deployment. In the United States military, some personnel are known as IRR which stands for Individual Ready Reserves. There is a provision of public law that provides the President the means to activate, the IRR without declaring a national emergency. However, when the nation is under a presidentially declared state of national emergency, the President has even broader authority, allowing him to activate not more than 1,000,000 members of the Ready Reserve with no further limitation.

The Lord spoke to Apostle Leander Robinson in 2019 and said “It’s Time!!!--To Focus On the Family! In 2020, the Lord again said, It’s Time!!!-To Focus On the Family!, and He added The Year Of Activating and Launching.

God said to us in 2019 that He has truly blessed CWCC with the Issachar anointing, which is the ability to proclaim the right word to the right people in the right place at the right time! It is the ministry of **knowing the times AND what God's people should do to be prepared**. As we continue under the Issachar anointing, God is calling us to a higher level in understanding the Providence of God (trusting God and His timing). Are you willing to trust God to Father an Isaac with the promise that one day a Joshua & Caleb will believe God and enter the Promised Land?

Why are the Church and the Family in a state of national emergency? The Lord said through Pastor Lois Robinson in 2019, “The answer, says the Lord, is because of sin; it is because of lack of family focus; it is because we're living in a day and time where mankind has lost his way. Very little is sacred--in the church or out of the church--and everything except God is priority, even for Christians...and when our priorities are out of order, we lose focus of what and who matter most...and the journey becomes much longer and much harder than it was meant to be, as it was with the children of Israel.” The Lord also said through Pastor Lois, “there has been a deviation from my intended purpose and representation of the family unit. This has caused death to the family structure.”

The Lord does not want to leave us in this state. Again, through Pastor Lois God says, “as the family becomes first place, we will begin to witness a shift in the land, even in our government at the top.”

Do not say that it is too late or there is no hope. Even as the bones lie disjointed and totally disconnected, watch how restoration begins to take place as my prophets speak life to marriages and homes that will hear the word of the Lord. Finally, as the bones begin to come together, the Lord says, as my prophets prophesy breath to come from the four winds, the feet of the family unit will be strengthened and become a powerful army for God.”

So what are the instructions for CWCC?

1. You have not chosen Me, but I have chosen you and I have appointed *and* placed *and* purposefully planted you, so that you would go and bear fruit *and* keep on bearing, and that your fruit will remain *and* be lasting, so that whatever you ask of the Father in My name [as My representative] He may give you. **John 15:16 AMP.**

God has called us (His reserves) to activation. The term total mobilization occurs when the President and the Congress activate the **ENTIRE** Armed Forces to meet the requirements of national emergencies.

The Lord says, CWCC you are no stranger to activating & launching. When it was time to build the new edifice, I called for the whole of the church to be on board. I am again calling for my entire army. This time I am calling for specific giftings and talents. The Lord says He is after specific results in individuals, families, and the church. Some of you think you have nothing to offer and others have packed away or even hidden My gifts. Your gifts are needed to meet the requirements for this national emergency.

The United States Army assigns each recruit a MOSC, which stands for Military Occupational Specialty Code, which helps in classifying what military job they could be assigned. Saints of God, find your MOSC, **MINISTRY** Occupational Specialty Code, from the youngest to the oldest. "It's time to get into position."

2. But prove yourselves doers of the word [actively and continually obeying God's precepts], and not merely listeners [who hear the word but fail to internalize its meaning], deluding yourselves [by unsound reasoning contrary to the truth]. **James 1:22 AMP.**

Launch: start or set in motion, to send something out, to release, catapult, or send off. CWCC, in 2020, you are being launched into *targeted areas* for **MAXIMUM IMPACT**. Evaluate often your strategies, methods, audiences, and results to ensure God's purpose is being fulfilled.
