

Steady-as-she-goes (Yourdictionary.com) means steady, careful, avoiding sudden change; (Nautical) A cry to the helmsman to keep on the current course.

When Apostle Leander Robinson gave us the Theme: Steady As She Goes for 2023, I was and still am excited. I immediately thought about the scientific show, Star Trek. In fact, Captain Kirk was the first person I heard use the words, Steady As She Goes. Steady as she goes was used after the star ship USS Enterprise had gone through a very difficult excursion after which; the order was given by the captain to continue on the same course. It brought to mind that God is pleased with Covenant Warriors and He wants us to continue on the same course and not to make any sudden changes.

Tone Setters – Will You Fight to Live? (Prophetic Word, by Minister Kiffany Bethel – 2/20/21)

“Even as we witnessed turbulent events that rocked our legal/justice system, as well as our governmental, healthcare, and economic institutions, the Lord showed Himself to be steadfast - a place of calm in the midst of the storms. We witnessed the faith and unity of the body of Christ tested, as church doors closed, and the light of world events exposed the heart and preparedness of churches throughout our local, national, and global communities. We have witnessed the birth of new ministries, as various skill sets were activated and launched to support the cause of the Kingdom. My sensing is that the Lord is pleased with our shift into this new frontier and that He will cause its impact to reverberate through the age to come.”

As I read this Word, I could see our never changing God remaining steadfast during the storms. Covenant Warriors we are no longer just a Light House. We are a star ship. We are in the final frontier – literally and spiritually in the airways. During the COVID-19 pandemic, the Lord blessed us to launch the Ministry to the airways, the final frontier. More people are being reached with the teaching and preaching of the Word of God. We must maintain this course. We must work together to get the Word out and to get more people saved, delivered, set free and on board.

1 Corinthians 15: 58 (AMP) Therefore, my beloved brothers and sisters, be steadfast, immovable, always excelling in the work of the Lord [always doing your best and doing more than is needed], being *continually* aware that your labor [even to the point of exhaustion] in the Lord is not futile *nor* wasted [it is never without purpose].

1 Corinthians 15:58 (NLT) So, my dear brothers and sisters, be strong and immovable. Always work enthusiastically for the Lord, for you know that nothing you do for the Lord is ever useless.

A Partial List of Steady As She Goes:

The Lord would have CWCC to continue to work in the ministry. We are to enthusiastically do our very best. It is akin to being a cheerful giver. Nothing that we do for the Lord is ever in vain.

Go back and read the Prophetic Words in the Prophetic Library. They are still prevalent today. Receive and work toward the promises from the Lord for your life.

Represent the Lord well in the home and community.

In other words, Covenant Warriors, the course is already charted for us. It does not mean that adjustments will not be made as we face turbulence. We are on the right path.
