

In the final quarter of last year, I heard the word “Defiance” and I began to get a prompting from the Lord to revisit the prophetic word, “Defying the Odds.” Throughout the quarter, I would sense a nudging that He was still “Defying the Odds” against us. As we approached the end of the year, this was the only sensing that I had in preparation for the coming year. And so, I began to reread the prophetic word delivered through Prophetess Lois Robinson on Sunday, January 27, 2013, titled, “Defying the Odds” ... and the Lord said, nothing.

Vision Cast:

On Sunday, December 28, 2025, Apostle Leander Robinson cast the vision for the coming year and shared to the body that the theme for 2026 would be “TAKE WHAT YOU GOT AND MAKE WHAT YOU NEED!!!” During this service, by the prompting of the Lord, Prophetess Lois Robinson declared to us: “Acceleration! God wants to accelerate the blessings in your life.” She would then give us the following instructions: “Grab hold of that word: Acceleration, Acceleration! Acceleration!!”

As Apostle Robinson ministered the vision, I kept hearing the refrain from “Be Prepared” playing in the background. As you can imagine, this was confusing, because Be Prepared was the song of the villain in the Lion King movie franchise. Nevertheless, throughout the service, “Our teeth and ambitions are bared...Be Prepared!” and “A Shining new era is tiptoeing nearer!” “Be Prepared” kept playing in my spirit.

Biblical Meaning of the Number 26:

POWER OF SALVATION

According to gods-abcs.com – A website for Hebrew Linguistics and The Bible, the number 26 represents the Power of Salvation. It is symbolized by “Jesus’ hands being nailed to the cross.” The Hebrew word for Salvation, translates to YESHUA, the Hebrew name for Jesus. So, the Power of Salvation is synonymous with the Power of Jesus.

Divine Completeness & Human and Divine Interaction

According to the online Christian resource, Biblehub.com:

“The number twenty-six appears in various contexts within the Bible, often symbolizing completeness or the fulfillment of divine purposes.

· Divine Completeness:

The number twenty-six, through its association with the name of God, can be seen as representing divine completeness and perfection. It serves as a reminder of God's sovereignty and the fulfillment of His promises.

· Human and Divine Interaction:

The combination of the numbers twenty and six may also reflect the interaction between the divine and the human. While humanity is often seen as imperfect (symbolized by the number six), the presence of God (symbolized by the number twenty-six) brings about completion and fulfillment.”

It is from this foundation that the following word comes:

WALK IN DIVINE AUTHORITY

Behold, the year of exercising the Divine Authority of the Lord is before us. We are in a season of the demonstration of both the supernatural and natural where we shall see the miraculous and intentional (purposed through persistence) manifestation of blessings from God. As we set our hopes, expectations, and ambitions on what the Lord will accomplish in and through us this year, I feel a prompting from the Lord that the words delivered through the prophetic team in 2013 will be particularly relevant in this year; in particular, “Defying the Odds” and “Behold the Works of His Hands.” As we have experienced in years past where the Lord has built upon the prophetic words and gains from previous years, my sensing is that we are in another COMPOUNDING year of the Lord’s blessing.

During the last quarter of 2025, Apostle Robinson started teaching from the series – “The Word Became Flesh,” in which, he stressed the importance of learning of the Divinity of Jesus. As we find ourselves in this year of Divine Completeness and Divine and Human Interaction, expect to see and come to know the very nature of God.

In the 2013 prophetic word, "Behold the Works of His Hands" delivered through me, the Lord conveyed that we would see heavy warfare and an outpouring of financial blessings. My sensing for this year is much the same. 2026 will be a fight! Though we will continue to be in a season of unrest, injustice, and intentional chaos in this country – we are not to get distracted or discouraged. The Lord sees and He has already set a path for us to navigate the world's system and reap His blessings. The supernatural attacks this year will be intense; however, our greatest opponent this year will be SELF. We are in a time of positioning and repositioning. My sensing is that the Lord is doing a generational work through us this year.

In preparation for this word, as I followed the sensing to revisit the prophetic word previously delivered to the church by Prophetess Lois Robinson on Sunday, January 27, 2013, titled "Defying the Odds," the Lord highlighted a few things for me.

In her prophetic word, Pastor Lois stated:

"Many have scorned those who, in times gone by, preached the "Name It and Claim It" message, BUT I declare to you that this is the year to NAME IT AND CLAIM IT...IF...IT... HAS...A... KINGDOM...CONNECTION. God will not be mocked. **You've been granted power of attorney to stand in the name of Jesus and act in His stead to move heaven and earth. Know your rights and begin to exercise them like never before. Say not how bad things are, but use the authority you've been given to effect change. You can do it because God is defying the odds; He is on our side and He will not ignore our faith.**"

It wasn't until I began to compose my prophetic word that the Lord reminded me that both prophetic words that He'd highlighted were delivered 13 years ago. The number "13" as you will find in Prophetess Lois' word, signifies rebellion. Just as Prophetess Lois conveyed in her word then, I have no sensing that Rebellion is our portion for this year; however, there is a defiant spirit of the Lord from which we are to operate. Just as the Lord called upon us to "rebel against and reject" every contrary thing that the enemy (both spiritual and internal) brings before us, I hear defying battle cries from the saints of God, "It Is So!" and "Not, for me and my house!"

The Lord also reminds us that the instructions and promise He gave us in the 2015 prophetic word, Faith, Favor, and Finances...Repeat delivered through me is still applicable.

In this word, He stated:

“There is an urgency in the spirit to Go! Go now! The authority to move and create blessings has not been rescinded. I hear an echo in the spirit that "Not knowing what to do, will not be an [acceptable] excuse" this year... "DO!," says the Lord! By the leading of God, I declare that 2015 is as an hour to the Lord and we have been launched into His hour of accelerated blessing! Put the blessing plan of the Lord to the test this year - Faith - the ACTIVATOR, Favor - the NAVIGATOR, and Finances - the REWARD. The Hand of the Lord is extended before us and the Lord declares that He will bless the works of our hands, "Give me something to work through", say the Lord. Our promise from Father this year is, "Show Me Your Faith, and you shall see My reward!"”

This year is not without its challenges, but we are to face it with grit and determination. The Lord will flip the script on our enemies who set themselves to be the villain in the story of what we accomplish this year. The Lord calls us to be prepared. There will be no victims of circumstances this year. The Lord calls us to exercise the power of attorney and walk in the divine authority that has been granted to us this year. The Lord has declared that we are to “TAKE WHAT WE GOT AND MAKE WHAT WE NEED!!!” We are to give Him something to work through, sure in the promise that if we Show Him Our Faith, We Shall See His Reward! The Lord reminds us that He is DEFYING THE ODDS against us and that we are to “rebel against and reject everything the enemy brings that is contrary to this declaration.”
