

Before I begin to unfold the word I received from the Lord, let us look at

Matthew 12:25-26 [AMPC]

25 And knowing their thoughts, He [Jesus] said to them [the religious leaders], Any kingdom that is divided against itself is being brought to desolation *and* laid waste, and no city *or* house divided against itself will last *or* continue to stand.

26 And if Satan drives out Satan, he has become divided against himself *and* disunified; how then will his kingdom last *or* continue to stand?

I have titled my 2026 Prophetic Word...

THE YEAR OF THE CHURCH! THE YEAR OF CHANGE!

The state of our nation as it is at this present time, is very sad...AND...the state of the church is just as sad. However, I feel very strongly that the Lord is prompting the church to rise up and take back what the devil has stolen. Let me be very clear...this is not a political message. It is a prophetic message from the Lord to the people of God. There has been too much division in the church. What we see in our governmental structure is a direct result of what is happening in the church. We know that, in the end we win because Christ shall triumph over all things. But, the Lord is saying to us that when HIS CHURCH comes together, we will see change in the midst of unchange!

I hear the words, **COLLABORATION** and **TRANSITION**. It will not be business as usual this year. The chaos that we see all around us will persevere for a while longer. However, things are changing because God is giving His people game-changing strategies (tools) that will be used in **TRANSITIONING** the church into a resource center of blessings. The church has an arsenal of inactive, dusty weapons that the Lord is identifying for activation. Additionally, there are new weapons of mass destruction that God is highlighting in this year for **KINGDOM PURPOSE**...I repeat, **KINGDOM PURPOSE**. Let me say that again... for **KINGDOM PURPOSE**.

Many have itching ears for “A WORD FROM THE LORD.” Here it is...re-activate your dusty weapons—the first of which is your **RELATIONSHIP** with God! Deeper relationships with each other are important this year. But first, God is calling us to a deeper relationship with Him. Come close, says the Master. Draw nigh to Me in prayer and worship with your ear close to My chest. **I AM** speaking revelations to you for personal and Body ministry. As you are properly aligned to receive from Me this year, **I AM** preparing you to be a catalyst of change in this hour.

I see a mighty move of God in churches across the land where God is center focus even in the midst of continued political and economic chaos. This is a critical time for the church to rise up. The world is about to see that God is very much alive and well, and He is still on His throne. He is not asleep at the helm.

The church is sick and its spiritual immune system has become severely damaged by free radicals that have violently and purposely attacked the Body. The Body of Christ gave place to these attacks through open doors of HATRED, RACISM, and IDOLATRY which have been perpetuated by governmental dominance over this nation, and it has challenged our world peace. **Revelation 11:15 [NKJV]** says, **"...The kingdoms of this world have become the kingdoms of our Lord and of His Christ, and He shall reign forever and ever!"**

Body of Christ, we don't have to wait 'til the battle is over; we can shout now. There is cause for joy and rejoicing because, even though this scripture speaks of an end-time fulfillment of promise, by the Spirit of God, I declare to you that this is a "right now" word. God is shifting the atmosphere, and we are about to witness change!

Apostle Leander Robinson stated, "It doesn't matter who's in the White House. What matters is who's on the throne." God is unleashing strategies to turn things around. So, it's time for healing of the "Body" because there is a call for ALL to GET ON BOARD and do your part in **TRANSITIONING** the church into the true resource center (storehouse) it was designed to be. We cannot stay sick. We must admit ourselves into God's spiritual hospital so we can get well. The hospital is not for permanent residency. Once you have been treated and released, you must return to duty and get busy with the plan of God. Again, we need ALL HANDS ON DECK for what is about to be revealed to us.

On December 28, 2025, the Lord spoke "Accelerated Blessings" to us, but you must be engaged to be included in this acceleration. DO NOT SAY...I CAN'T...I DON'T HAVE...I DON'T KNOW HOW...THAT'S NOT FOR ME. God has spoken and you must take it by faith. You must speak those things that are not as though they were. There is nothing too hard for God if you will believe it and receive it.

Romans 4:17-24 [NKJV] says, concerning Father Abraham,

17 "(as it is written, "I have made you a father of many nations...") ...God, who gives life to the dead and calls those things which do not exist as though they did;

18 who, contrary to hope, in hope believed, so that he became the father of many nations, according to what was spoken, "So shall your descendants be."

19 And not being weak in faith, he did not consider his own body, already dead (since he was about a hundred years old), and the deadness of Sarah's womb.

20 **He did not waver at the promise of God through unbelief**, but was strengthened in faith, giving glory to God,

21 and being fully convinced that what He had promised He was also able to perform.
22 And therefore "it was accounted to him for righteousness."
23 Now it was not written for his sake alone that it was imputed to him,
24 but also for us. It shall be imputed to us who believe in Him who raised up Jesus our Lord from the dead."

Saints of God, there is nothing too hard for God. Trust God to give life to the dead things in your life—your health, your mind, your finances, your relationships, your knowledge, your skills, your abilities, your job—it doesn't matter! The same God who gave life to Abraham and Sarah's dead organs will give life to your dead things! Just know that you are to be an active participant in your own healing. Many in the Body of Christ are sick because they are too sedentary. You have taken in so much and given out so little. There are many people who need what you have to offer, and your healing will come as you bring healing to others. Do not be fearful. In this hour, God is aligning do-ers with mentors who will help them with the strategies they've been given for kingdom business. You may or may not even know your mentor at this present time. It doesn't matter! It may appear that what God spoke to you is dead and just simply cannot happen. You are wrong! There is NO-THING too hard for God if you will "not waver at the promise of God through unbelief." How is He going to do it? I don't know, but I know what He said. This is the Year of the Church and this is the Year of Change! That's what I know! That's what I believe! That's what I am standing on!

Now hear this! As I lay down on the night of January 3rd of this year, I asked God to speak to me concerning what I should deliver to the church prophetically this year, and **I had a dream.**

On Sunday, January 4, 2026, I awoke from my dream knowing it was prophetic. I was driving West on Parmer Street and had just crossed over Oglesby Street. I put the car in reverse and began backing into the street (Oglesby). Out of panic, I immediately shut the car off to stop it instead of applying the brakes. But there was a slight incline, so the car didn't stop and continued going backward. Realizing I was in danger of rolling into the line of traffic, I got out of the car and began to try and manually steer the car forward, but I wasn't making any progress. I saw a man nearby and I yelled for help. The man came over and began helping me. After we brought the car to a stop, the man said to me, ma'am, what you were doing was never going to work; you were trying to steer the car forward with it going backward. (That was profound!) The man then examined my car and found some things in need of repair.

I recall that I was headed to work and had to call in to say I would be late because of car problems. I didn't know the man I yelled to for help, but then learned he was an auto mechanic. He was willing to repair my car, so I left it with him to

work on while I went to work. He picked up parts and fixed my car and by the end of the day when I returned from work, my car had been repaired. I wasn't aware there was anything wrong, but the mechanic found and fixed the problems.

I awoke, knowing the Lord had just shown me the state of the church. Here are the revelations I received:

- **YOU CANNOT GO FORWARD IN A REVERSE POSITION.** It will never work! It...will...never...work! The Lord spoke into my spirit that this year, there must be **COLLABORATION** and **TRANSITION**.
- You must not be afraid or unwilling to ask for help when you see what you are doing isn't working. There are specialists ready to assist in diagnosing and fixing problems you may be totally unaware exist.
- Getting out of a moving vehicle (your God-ordained ministry or assignment) is very dangerous. Stop trying to do things your way!
- Through prayer and worship, you must get to know God on a deeper level. Relationship with God is key to knowing and successfully executing the strategies you have received. You must trust the God of the process.

Here's the shift - the TRANSITION:

I hear in the spirit that the church will become a hospital of sorts, staffed with specialists in specific areas. Many of the sicknesses that land people in physical hospitals do not necessarily originate inside the physical body.

Some resources have already been taken away and there will be a loss of others that will cause continued hardships for many people. But know this--God is aware and He has a care plan for you.

- Medical professionals in the church will begin to provide assistance to the sick within their areas of expertise.
- Mental health professionals will be present and on post to provide assistance within their specific areas.
- AI (artificial intelligence) is not to be feared but to be embraced for kingdom purposes. There are business-minded individuals who have been tapped by God to leave marketplace employment for the greater good. This is your time. Move swiftly to enrich and enhance your knowledge, skills, and abilities and watch how God accelerates you in this arena!

- Investment specialists, this is your time as well. Be ready to evaluate, diagnose, and provide treatment plans for those in need of care in this area.

I see COLLABORATION of these skills across the Body of Christ. So, not knowing what to do is not a reason to do nothing. As you begin to use what you have, God will bring help alongside you.

Some may have received more strategies than others. Using the biblical example in Matthew 25, some have received five; some, two; some, one. Each has received what he or she has the ability to use effectively.

In accordance with our 2026 theme given by the apostle of this house, Apostle Leander Robinson, “**TAKE WHAT YOU GOT AND MAKE WHAT YOU NEED!!!**” Don’t disappoint! Don’t bury these gifts and talents! God is calling for His church to TRANSITION from program swapping to COLLABORATIVE resource sharing. The Year of the Church is about KINGDOM IMPACT! Satan’s kingdom must come down. Break free of territorialism that produces little or no return on investment and COLLABORATE for the Kingdom. None of us have all the talents, but all of us have some. Body of Christ, get on board! We can no longer afford to be divided and conquered by the enemy. We must rise up and conquer for the glory of God. This is how we will see change in the midst of unchange!

What do you have in your house? What are your talents? What are your giftings? As you begin to use what you have for the kingdom IN THIS HOUSE, God is going to open new doors of opportunities for COLLABORATION with other churches and businesses. You will see God’s accelerated blessings manifest--exceedingly, abundantly above! [Ephesians 3:20]

HERE ARE SOME TAKEAWAYS:

- 1) The Body of Christ at large has been experiencing diminishing returns on its investment—even in churches with large congregations.
- 2) The word of the Lord is, STOP TRYING TO GO FORWARD FROM A REVERSE POSITION.
- 3) The Lord is calling for a deeper relationship with Him through prayer and worship.
- 4) Relationships with God first, and then with others are key to successful execution of the strategies the Lord has revealed.
- 5) Finally, you must be willing and obedient to shift from reverse to forward motion and use what you have in your house **FIRST**, then through external collaborations that God will identify as wholesome for you.

I Samuel 15:22 NLT

... "What is more pleasing to the LORD: your burnt offerings and sacrifices or your obedience to his voice? Listen! Obedience is better than sacrifice, and submission is better than offering the fat of rams."

Do not reject the word of the Lord. If you reject the word of the Lord, the Lord will reject you.

COLLABORATIONS are commonplace across several sectors—the business industry, financial industry, educational industry, food and beverage industry, and the technology industry, to name a few. It's time for the church to rise and stop lagging. You need what others have and others need what you have. This COLLABORATION is not about name or brand; it's about resource sharing for Kingdom purposes.

As I write, I am reminded of **Psalm 42:7**. The psalmist cries out in despair, "Deep calls unto deep." But I hear in my spirit, despair no longer. As you enter into a deeper relationship with the Lord, you will really see Him as your shepherd.

- **PSALM 23:1 [NKJV]** ...I SHALL NOT WANT
- **PSALM 23:1 [NLT]** ...I HAVE ALL THAT I NEED
- **PSALM 23:1 [NIV]** ...I LACK NOTHING

WHAT YOU NEED, YOU ALREADY HAVE! THE OIL IS IN YOUR CUPBOARD! USE IT OR IT WILL BECOME UNUSABLE.

"TAKE WHAT YOU GOT AND MAKE WHAT YOU NEED!!!"

That concluded the word I received which I submitted to Apostle Robinson. However, as we sat at breakfast this morning on Sunday, January 25, 2026, we were discussing how there was much shared about Project 2025 and what would be taken from us during the presidential campaign at the Democratic National Convention. Then, I felt the Lord prompted me that my word is...

THE YEAR OF THE CHURCH! THE YEAR OF CHANGE!

PROJECT 2026 (with CUT)

Collaborate, Unite, and Transition
